Kiwanis Meeting October 31, 2011

Small group tonight but a large Purple Bird swooped in to visit for Halloween and I bet you can't guess who it was??????

Jim led the troops for the night in Gerry's absence.

Happy/Sad \$

Brian had a **happy \$** for a wonderful trip to North Carolina on a golf excursion & played 9 rounds of golf. He also had a **sad \$** because he was in a room with a freight train which was Treasurer Don's snoring. Jenny was happy for the break.....

Don also had a **happy \$** for a wonderful trip too.... (Sure that's because he was well rested during his vacation)

Craig's **happy \$** for a nice few days trip to Montreal with his wife & friends to visit the old city

Marjorie's **happy \$** was for the St Paul Key Club for 48 members & each member paying a \$10.00 portion of their dues & AN Myer's 40 key clubbers paying their own dues this year

Dinner was wonderful as usual; pasta or ribs were our choices of the evening.

After dinner Marjorie had us play a Halloween Trivia game with 10 questions that we barely new the answers too & then read she us the answers in a little story telling about Halloween.

I don't think any of us won for the most correct answers but she was good enough to give Us all treats anyway.

Bill Sauder Sr also brought a special Halloween treat for us It was 100 year old skeleton of a foot. Dr Bob & Don appreciated that one! YUCK....

Bill has a way of scaring the birds!
